**ORDER CONSOLIDATING ADVERSARY PROCEEDINGS FOR HEARING AND
TRIAL AND ORDERING A SEPARATE TRIAL ON ISSUES
RELATED TO TRACING ISSUES**

In his capacity as trustee in the above-captioned bankruptcy case, Kenneth A. Rushton (Trustee) has filed numerous adversary proceedings which involve several common questions of law and fact. Pursuant to Rule 42 Federal Rules of Civil Procedure, made applicable to these proceedings by Rule 7042 Rules of Bankruptcy Procedure, in order to avoid unnecessary cost and delay and to avoid prejudice to parties the Court hereby orders the consolidation of

adversary proceedings for hearing and trial and further orders a separate trial on issues related to tracing of the Debtor's property or property of the bankruptcy estate. Generally the adversary proceedings involve the Trustee's claims to recover payments made to Defendants either by Debtor directly, Standard Industries, Inc. (Standard), or by National Business Management, Inc. (NBM). The Trustee maintains that the payments constitute transfers of an interest of the Debtor in property or a transfer of property of the estate because they were either made with the Debtor's funds or made with funds loaned to the Debtor by Standard and NBM.

It is therefore, ORDERED, as follows:

I. Issues Consolidated for Hearing and Trial. All common questions of law and fact related to the issue of tracing proceeds of the Debtor's property or property of the bankruptcy estate are consolidated into this consolidated adversary proceeding.

II. Adversary Proceedings Consolidated Into This Adversary Proceeding. For purposes of separate hearing and trial on the foregoing common questions of law and fact, the adversary proceedings listed on Exhibit A, attached hereto, are consolidated into this consolidated adversary proceeding.

III. Motions to Include Additional Adversary Proceedings in This Consolidated Adversary Proceeding. If any party to any other adversary proceeding pending in the above-captioned bankruptcy case which has not been consolidated with this consolidated adversary proceeding desires to have that adversary proceeding consolidate with this consolidated adversary proceeding they may file a motion to consolidate that adversary proceeding with this consolidated adversary proceeding. All motions to include additional adversary proceedings into this consolidated adversary proceeding shall be filed by March 28, 2011.

IV. Motions to be Excluded From This Consolidated Adversary Proceeding. If any party to any adversary proceeding which has been consolidated with this consolidated adversary proceeding desires to be excluded from this consolidated adversary proceeding they may file a motion to be excluded from this consolidated adversary proceeding. All motions to be excluded from this consolidated adversary proceeding shall be filed by March 28, 2011.

V. Filing of Pleadings in Consolidated Adversary Proceeding. All pleadings related to the issue of whether payments made to Defendants either by Debtor directly, Standard, or NBM constitute property of the estate because they were either made with the Debtor's funds or made with funds loaned to the Debtor by Standard and NBM and whether the Trustee can recover those payments made to Defendants either by Debtor directly, Standard, or by NBM are to be filed in this consolidated adversary proceeding.

[PAGE INTENTIONALLY LEFT BLANK]

VI. Caption for Pleadings. Pleadings filed in this consolidated adversary proceeding shall be captioned as shown below. The caption for pleadings filed by Plaintiff should identify the Defendants as "Defendants Re Tracing" and should not identify a particular Defendant. The caption for pleadings filed by Defendants shall contain the name of the Defendant and/or Defendants filing the pleading and the related adversary proceeding number and/or numbers.
